## **EVENT: TIE DOWN ROPING**

### **Double Mugging Rules**

Boys & Girls 12 & Under

Time Limit for Dbl Mug & TD is 60 Sec

1. Time taken between two flags
2. Catch as catch can. Roping the calf without releasing the rope from hand is NOT permitted.
3. Rope must be tied "hard and fast" to saddle horn. The contestant must rope the calf, dismount the horse, and go down rope at which time mugger will flank calf and roper must cross and tie three feet. If calf is down when mugger reaches it, it must be let to its feet and thrown by hand. If mugger's hand is on calf when calf falls, calf is considered thrown by hand. Rope must hold calf until mugger gets hands on calf.
4. After roping the calf, roper must dismount and wait for mugger to throw calf by hand. The Mugger must flank the calf, they can hand the leg to the roper but do not have to assist with that. At this time, mugger can assist in holding calf down in a way that calf is unable to gain its feet. After roper has completed tie and throws hands in air signaling time, mugger must step away from calf. Mugger cannot aid roper in gathering calf's legs to enable roper to tie calf.
5. Mugger may remove rope from calf (before roper has finished the tie) if necessary for safety reasons. This will not disqualify the run, however, after roper has signaled for time the rope may not be removed until judge has expired 6 second tie rule.
6. A neck rope must be used and contestant must adjust rope and reins in such a manner that will permit the horse from dragging calves.
7. Tie must hold until passed on by judge and roper and mugger must not touch calf after giving finish signal. If tie comes loose before the tie has been ruled a fair one, the roper will be given no time.
8. Calf must be crossed and tied with at least one wrap and hooey.
9. The flag judge will pass on the tie of the calf by use of stop watch, timing 6 seconds from the time roper has remounted (may have assistance from mugger) and given slack to rope. Rope will not be removed from calf and rope will remain slack until field judge has passed on tie.
10. Flag judge is to stop watch when calf kicks free, using the time on the watch to determine if time limit of 6 seconds was reached to qualify time.
11. Mugger may be a contestant of rodeo from the 16-19 boys age group or a parent of a contestant. If the mugger is a contestant, he must be in full western attire. If the mugger is a parent, he does not have to be in western attire, but he must wear a western hat.
12. Judges discretion as to who may mug if certain age group or parent of contestant is unavailable.
13. Maximum weight of calves will be 180 pounds.
